

*****NOTICE TO ALL DESIGN PROFESSIONALS & CONTRACTORS*****

The Creve Coeur Fire Protection District intends to amend *Ordinance 20-1, Fire Prevention Code of the District*, change the fee schedule, and adopt the 2021 versions of the International Fire Code, International Building Code, International Residential Code, and the International Existing Building Code.

Effective Thursday, December 8th, 2022, and as required by *R.S.Mo. 67.280*, the newly proposed ordinance, fee schedule, and 2021 versions of the aforementioned codes are on file and available for viewing upon request for a 90 day period. Upon the completion of said 90 days, the newly proposed ordinance, fee schedule, and 2021 codes will be officially adopted.

Additionally, **effective Monday, March 13, 2023, plans will only be accepted in a digital format.** Paper plans will no longer be accepted. Please contact the Administrative Center with any questions.
